## FSS Contributions

### Portlet Styling

The screenshot shows a web portal interface with a dark header and navigation tabs. Below the header, there are three distinct message boxes stacked vertically. The first is an 'Information Message' with a blue border and a blue button. The second is a 'Status Message' with a yellow border and a yellow button. The third is a 'Success Message' with a green border and a green button. Each message box contains text and a close button.

## Other

### Mediawiki UI Options

#### Theme

The screenshot shows a mobile view of a Mediawiki page. At the top, there is a dark navigation bar with a search icon, a search input field, and a menu icon. Below the navigation bar, the page content is displayed in a light color. The main heading is "From Greg's Dev Wiki". Below this, there is a "Table of Contents" section with links to "Main Page", "Getting started", and "Help". The "Main Page" section contains a heading "Main Page" and a sub-heading "Getting started". The "Getting started" section contains a list of links: "Getting started", "Help", and "Help".
