

# Presentations

## Presentations About the Fluid Project

### New Presentations

- [Accessibility Through Inclusive Design Thinking](#)
  - Presented by Jonathan Hung, March 11, 2019 at the NROC Member Meeting 2019.
  - Theme: accessibility, 3 principles of inclusive design, tools, resources, designing for complex situations
- [Who's at the Table? Co-Design Methods and Learnings](#)
  - Presented by Sepideh Shahi, Dana Ayotte, and Cheryl Li, Feb 20, 2019 at UX Research Toronto Meetup on Inclusive UX Research
- [Designing Inclusive Learning Inclusively\\_CDAG talk.pdf](#)
  - Presented by Caren Watkins, December 6, 2018 at Curriculum Developers Affinity Group conference, Barrie, Ontario
- [The Open Authorial Principle: Supporting Networks of Authors in Creating Externalisable Designs](#)
  - Presented by Antranig Basman, November 7, 2018 at Onward! Workshop, Splash OOPSLA 2018, Boston
- [Inclusive Design: Perspectives in Action](#)
  - Presented by Colin Clark, October 25, 2018 as a guest lecture in York University's Ethics in Computer Science course
- [On Continuing Creativity](#)
  - Presented by Colin Clark, September 7, 2018 at the PPIG 2018 Conference
- [Voice Uls: Promises and Challenges of a "New" Technology](#)
  - Presented by Alan Harnum, May 30, 2018
- [Designing for Diversity: One Size Fits One](#)
  - Presented by Dana Ayotte, May 14, 2018 to the Conference Board of Canada
- [Inclusive Design: Transforming Libraries](#)
  - Presented by Alan Harnum, March 13, 2018
- [Designing Platforms for Cooperative Economic Inclusion](#)
  - Presented by Dana Ayotte and Colin Clark at the RChain Governance Forum, February 15, 2018
- [Introductory Remarks for the Designing Inclusive Retail Experiences Design Challenge](#)
  - Presented by Alan Harnum, January 26, 2018
- [Welcome and Introduction to the Big IDeA/CanHack 150 Design Challenge Hackathon](#)
  - Presented by Colin Clark, July 14, 2017
- [Inclusive Design: A Change in Perspective](#)
  - [Text Transcript of Presentation](#)
  - Presented by Jess Mitchell, May 2017, York Region, Ontario
- [Multimodal Design Patterns for Inclusion & Accessibility](#)
  - [PDF copy of Multimodal Design Patterns](#)
  - Presented by Alan Harnum, University of Guelph Accessibility Conference, May 31, 2017
- [Inclusive Design Thinking: A Path to Innovation](#)
  - Presented by Jess Mitchell, January 19, 2017
- [About Us, With Us: The Fluid Project's Inclusive Design Tools](#)
  - Presented by Colin Clark at the Human Computer Interaction International Conference, July 2017
- [PhET Sims Presentation to Macmillan Publishing / Sapling Education](#)
  - Presented by Jonathan Hung, May 31, 2016
- [What is Inclusive Design? Vancouver Meetup Preso May 2016.pdf](#) and [Vancouver Meetup Preso May 2016.pptx](#)
  - Presented by Dana Ayotte, Vancouver Accessibility and Inclusive Design Meetup, May 4, 2016
- [Inclusive Design: Change your Perspective - csun\\_perspective.pdf](#) and [csun\\_perspective.key](#)
  - Presented by Jess Mitchell, San Diego, March 25, 2016.
- [Introduction to Inclusive Design - Colour PDF, Black on white PDF](#)
  - Presented by Jonathan Hung at Edify, Costa Rica, January 20, 2016.
- [InclusiveDesign 101](#)
  - Presented by Jess Mitchell at a SolidWorks launch event, Toronto, October 16, 2015.
- [Harmonious Authorship from Different Representations](#)
  - Presented by Antranig Basman at PPIG 2015, Bournemouth, July 17th, 2015
- [Inclusive design of OERs using co-design](#)
  - Presented by Michelle D'Souza and Jess Mitchell as an action lab at OE Global 2015, Banff, Alberta, April 23, 2015.
- [The State of Accessible OER Solutions from the FLOE team](#)
  - Presented by Jess Mitchell on a panel at OpenStax CNX annual conference, Houston, TX, April 1, 2014.
- [Inclusive Classrooms: ICT Integration in Postsecondary Education](#)
  - Presented by Anastasia Cheetham and Michelle D'Souza as part of the VTE Lab "Active Learning, Universal Design for Learning (UDL) in collaboration with Technology," March 26, 2014.
- [Fluid Infusion: Building the Next Generation of the Accessible Web](#)
  - Presented by Colin Clark, Antranig Basman, and Kasper Markus at the CSUN Conference on Technology and Persons with Disabilities, March 20, 2014, San Diego.
- [Personalizing Interfaces: An Inclusive Design Approach to Increase Access](#)
  - Presented by Dana Ayotte and Jess Mitchell at the CSUN Conference on Technology and Persons with Disabilities, March 19, 2014, San Diego.
- [Harnessing the Open Web To Create Inclusive Learning Environments](#)
  - Presented by Michelle D'Souza and Jess Mitchel at DML2014, March 6, 2014
- [Inclusive Design of OERs](#)
  - Presented by Jess Mitchell at OpenEd 2013, November 8, Park City, Utah.

- [Interfaces for Individuals](#)
  - Presented by Yura Zenevich and Michelle D'Souza at the Guelph Accessibility Conference, May 29, 2013.
- [Global Public Inclusive Infrastructure: a presentation to the University of Michigan \(disability council and web accessibility working group\) PDF](#)
  - Presented by Jess Mitchell at University of Michigan March 6, 2013, Ann Arbor.
- [Inclusive Design: Designing for a Diverse World PDF](#)
  - Presented by Colin Clark and Jess Mitchell at IxDA January 27, 2013, Toronto.
- [The MatchMaker Ecology Powerpoint](#)
  - Presented by Antranig Basman at ICCHP '12 meeting of the MatchMaker group, Linz, July 12 2012.
- [User Interface Options Powerpoint](#)
  - Presented by Colin Clark, Jess Mitchell, and Joanna Vass to the Cloud4all community, October 2, 2012
- [The Model Transformations System Powerpoint](#)
  - Presented by Antranig Basman and Colin Clark at the GPII Implementors' Workshop, Linz, July 2012
- [Open Inclusive Design](#)
  - Presented by Colin Clark and Michelle D'Souza at the Toronto Accessibility Meetup, June 2012
- [A Whirlwind Overview of the Global Public Inclusive Infrastructure Architecture PDF](#)
  - Presented to the IMS AccessForAll Working Group, June 15, 2012 by Colin Clark
- [Building the Global Public Inclusive Infrastructure \(Draft\) PDF](#)
  - by Colin Clark
- ["To Inclusive Design Through Contextually Extended IoC" PDF | Powerpoint](#)
  - Paper delivered at Splash Wavefront, Portland, by Antranig Basman; Oct 26, 2011
- [Architectures for Inclusion: The Global Public Inclusive Infrastructure](#)
  - Presented to the GPII technical advisory board in Washington, DC, July 15, 2011
- [The Inclusive Web: hands-on with HTML5 and jQuery](#)
  - Presented at the Guelph Accessibility Conference by Justin Obara and Colin Clark, June 1, 2011
- ["Building Accessible Web Applications with Fluid Infusion" PowerPoint](#)
  - Session delivered at JA-SIG, Denver, by Antranig Basman; May 24, 2011
- ["Building Accessible User Interfaces with JavaScript and jQuery" Powerpoint](#)
  - Workshop delivered at JA-SIG, Denver, by Antranig Basman and Clayton Lewis; May 22, 2011
- ["The Future is Frameworks, not Modules" Powerpoint](#)
  - Delivered at JSConf 2011 by Antranig Basman; May 4, 2011
- [Introduction to Inclusive Design](#)
  - Guest lecture delivered to OCAD interaction design studio students by James Yoon, February 2011
- [Inclusive Design Research Centre staff accessibility workshop PDF development | PDF policy | PowerPoint policy](#)
  - Presentations by Jan Richards and Justin Obara and Colin Clark; September 3, 2010
- [New technology in the museum: A case study of three museums in the Fluid community working together PDF | Keynote](#)
  - Presented by Jess Mitchell at Museums and the Web 2010; April 15, 2010
- [The Fluid Project and the New State Powerpoint](#)
  - Presented by Antranig Basman at the CU Boulder CS Colloquium; January 14, 2010
- [Web Accessibility and Design PDF | PowerPoint](#)
  - Presented by Jess Mitchell, Justin Obara, and Colin Clark at the Balboa Park Online Collaborative; March 12, 2010
- [Mobile Web Development with Infusion PDF | PowerPoint](#)
  - Presented by Jen Bourey, Justin Obara, and Colin Clark at the Jasig 2010 Conference; March 10, 2010

## On This Page

- [New Presentations](#)
- [Fluid Project Overviews & Status](#)
- [Accessibility](#)
- [User Experience Design Methodology, Process, etc.](#)
- [Design Patterns](#)
- [UI Development](#)
- [General](#)
- [Fluid Engage](#)
- [FSOSS 2009](#)

## Fluid Project Overviews & Status

- [Pervasive Accessibility: The Fluid Project](#)
  - Presented by Jess Mitchell at the IEEE Accessing the Future; July 20-21, 2009 Boston
- [Sakai Fluid BOF at Sakai Boston](#)
  - Presented by Jutta Treviranus and Jess Mitchell; July 8-10, 2009 Boston
- [The Fluid Framework](#)
  - Presented by Antranig Basman and Colin Clark at the Dallas JA-SIG conference, March 3rd, 2009
- [What is Fluid? Keynote | PDF](#)
  - Presented by Jess Mitchell and Colin Clark at the Dallas JASIG conference, March 2nd, 2009
- [Mellon Retreat for RIT](#)
  - Fluid, Fluid Engage, Decapod reports
- [The Fluid Framework PDF | Keynote | Audio recording](#)
  - Presented by Colin Clark at the Fluid All-Hands Meeting, Berkeley, November 21, 2008
- [The Fluid Project: An Open Source Community for Inclusive Design PDF | Keynote](#)

- Presented by Jess Mitchell and Colin Clark at the FSOSS 2008 Conference, October 2008
- Client-side Development with Fluid and RSF
  - Presented by Colin Clark and Antranig Basman at the Sakai Paris 2008 conference, July 2, 2008
- The Fluid Project: An Update
  - Presented by Colin Clark and Jess Mitchell at the Sakai Paris 2008 conference, July 3, 2008
- The Fluid Project: An Open Source Community for Inclusive Design [PowerPoint slides]
  - Presented by Colin Clark at the JA-SIG Summer 2008 Conference, April 29, 2008
- Improving the User Experience of Open Source and Higher Ed Software: The Fluid Project
  - Originally conceived by Daphne Ogle and Allison Bloodworth, Fluid slides edited and augmented by Mara, April 1, 2008
- The Fluid Project: An Open Source Community for Inclusive Design [PowerPoint slides]
  - Created with Colin Clark and presented by Rich Schwerdtfeger at CSUN, March 13, 2008
- Fluid Project Overview at the 2008 Mellon RIT Retreat
  - Colin Clark presented with Jutta Treviranus at the 2008 Mellon RIT Retreat, February 28, 2008
  - Original PowerPoint slides
- An Overview of the Fluid Project [PowerPoint slides]
  - Colin Clark presented with Daphne Ogle and Allison Bloodworth at the 8th Sakai Conference in Newport Beach, December 3, 2007
- Whirlwind Tour of Progress to Date
  - Lightning talk Anastasia presented at the JA-SIG Winter 2007 Unconference on November 13, 2007
- The Fluid Project: An Open Community for Inclusive Design
  - Colin Clark et al presented at Free Software and Open Source Symposium, Seneca College, October 25, 2007
- An Introduction to the Fluid Project
  - Daphne presented with Colin Clark at Sakai Amsterdam Conference, June 2007

## Accessibility

- Accessibility for Rich Internet Applications: Techniques and Toolkits [PDF](#) | [PowerPoint](#)
  - Colin Clark presented at the *Aiming for Accessibility* Conference, University of Guelph, May 27, 2009
- Hands-on Accessibility
  - Colin Clark presented at the JA-SIG Unconference U-Camp, Rutgers University, November 13, 2007
- An Introduction to Accessibility
  - Mike Elledge presented at York University's Institute for Research on Learning Technologies on November 1, 2007
- Assessing Accessibility
  - Mike Elledge presented at York University's Institute for Research on Learning Technologies on November 1, 2007

## User Experience Design Methodology, Process, etc.

- User Centered Design (UCD) at Berkeley [PowerPoint slides]
  - Daphne presented with Judy Stern at Sakai Atlanta Conference, December 2006
- Fluid UX Overview for UCamp
  - Daphne presented at the Sakai UCamp in Amsterdam, June 2007 - UX audience specific.
- Dashboards, Searches, and Window States - a User-centric View for uPortal
  - Lightning talk Paul Z. presented at JASIG Winter 2007 Unconference - Paul Zablosky and Susan Bramhall, November 12th, 2007
- Introduction to User-Centered Design [PowerPoint slides]
  - Allison presented with Gary Thompson at JA-SIG Winter 2007 Unconference on November 13, 2007
- User-Centered Design in IT: the Low-Hanging Fruit [PowerPoint slides]
  - Allison presented with Ian Crew at the Winter 2007 Sakai Conference on December 4, 2007
- Using Personas to Create User-centered Designs [PowerPoint slides]
  - Allison presented with Rachel Hollowgrass at the Spring 2008 JA-SIG uCamp on April 30, 2008
- Use Cases in the Fluid Project [PowerPoint slides ]
  - Allison presented with Erin Yu at the Spring 2008 JA-SIG uCamp on April 30, 2008
- Designing Open Software
  - Colin Clark presented as a guest lecture in Dr. Stephen Hockema's *FIS1340H Introduction to Information Systems* course
- User Needs Assessment & the Designer and Developer Sprint [PowerPoint slides]
  - Allison presented at the Winter 2007 Sakai Conference uCamp on Dec 3, 2007
- Using Personas to Create User-centered Designs - updated [PowerPoint slides]
  - Allison presented at the Summer 2008 Sakai Conference on July 1, 2008
- What are Sakai Users up to - Fluid Content Management User Research
  - Presented by Daphne Ogle at the Sakai Paris 2008 conference, July 2, 2008

## Design Patterns

- Design Patterns for Fluid
  - Allison presented at Fluid Summit on September 28, 2007
- Fluid Design Patterns
  - Lightning Talk Allison presented at JA-SIG Winter 2007 Unconference on November 12, 2007
- Open Source Design Pattern Library, Spreading Communities Thick: Open Source Communities of Practice [PowerPoint slides]
  - Allison presented at the Spring 2008 JA-SIG conference on April 29, 2008

- [Open Source Design Pattern Library, Spreading Communities Thick: Open Source Communities of Practice - updated \[PowerPoint slides\]](#)
  - Allison presented at the [Summer 2008 Sakai Conference](#) on July 3, 2008

## UI Development

- [Design Tips for Developers](#)
  - Daphne presented at [Sakai Amsterdam Conference Combo Session \(Designers & Developers\)](#), June 2007
- [How to Write JavaScript that Doesn't Suck](#)
  - Colin Clark presented with Michelle D'Souza and Eli Cochran at the [8th Sakai Conference in Newport Beach](#), December 3, 2007
- [Fearless JavaScript Workshop](#): our ongoing series of workshops about JavaScript and DHTML development techniques

## General

- [Web Navigation Design](#)
  - Anastasia sharing what she learned at [Usability Week 2012](#) (pdf)
- [Bridging the Gap: Design and Development in Sakai](#)
  - Colin presented at [Sakai Conference UCamp in Amsterdam](#), June, 2007
- [UCamp Update](#)
  - Daphne presented an update of the Amsterdam conference on UX panel at the conference, June 2007
- [Communication](#)
  - Daphne's lightning talk at [Sakai UCamp, Newport Beach](#), December 2007
- [uPortal Presentation Layer](#)

## Fluid Engage

- [An Overview of the Fluid Engage Architecture](#)
  - Presented by Colin Clark at the [Fluid Engage All-Hands Meeting](#), June 2009

## FSOSS 2009

- [Mobile Web Apps: Harnessing the Power of Infusion](#) [|keynote|pdf|](#)
  - Presented by Jacob Farber and Justin Obara at [FSOSS](#), October 30, 2009
- [The Fluid Community: Innovative design and development processes and great outcomes, an overview](#) [|keynote|pdf|](#)
  - Presented by Michelle D'Souza and James William Yoon at [FSOSS](#), October 30, 2009
