

(SJRK) August 21, 2018 Partners Meeting

Dana, Michelle, Avtar, Juliana, James

- Need an invitation letter from IDRC in order to get travel Visa (for UWEZO, Karisma, others)
 - Reason for meeting
 - Relationship between IDRC and UWEZO
 - Objective of the meeting
 - Project implementation phase?
 - Paying for transport and accommodation etc
 - Addressed to the invitees
 - Letter to embassy for quick processing?
- Confirm Oct 10 date with everyone!
- By end of this week - know how many we can bring to face 2 face
- Citizen research?

Karisma

- 2 more activities
 - Workshop about local network, to understand how it works technically - September - Juliana will be there
 - October - a small group from Motivando a la Gyal - come to Fresno and share a workshop with the kids
- Don't want to wait too long for the next phase of the project
- Keep the enthusiasm and interest up
- Pilar - how to share this experience with other schools, other groups of young people
 - Plan from Fresno for visiting local entrepreneurs etc - create a curriculum
 - Using storytelling tool, install local network ...
 - First will be other schools in Fresno, but also Hector wants to contact groups in favelas in Bogota
 - Want feedback from us on the curriculum
 - Next year - have a festival in Fresno - groups from Colombia but also all over Latin America - Brasil (rural communities), Juliana will spend some time designing this, doing the schedule and budget
 - 2nd year of project - Pilar and Hector - important to have time and budget to research the process - first videos of kids, evolution of storytelling through videos, photos, what the experience was like.

- James - need to provide a final report? Or use the one he has provided
 - Workplan? Look at the table that James put together
 - <https://theblog.adobe.com/how-to-implement-inclusive-design-in-your-organization/>
 - James is looking at different guides for bringing inclusive design into an organization
 - <https://wiki.fluidproject.org/display/fluid/Inclusive+Design+Guidelines++Research>
 - Organising youth workshop in Rwanda?
 - Translation? Kinyarwanda, but also French
 - Younger generation speaks English (parents speak French)
 - Bahati speaks Kinyarwanda and English, so he can translate
 - Otherwise for tools, resources, consider translation of these too, and contextualization

Website

- Working on higher-fi mockups
 - Looking to wrap up design-related work this week
 - If everyone is happy with it he will start implementing the designs
 - Sophie will be helping out too
-
- Find an English-Spanish translator for the face2face meeting
 - Live captioning too
 - Sign-language translation needed?
