

Decapod Workflows

Decapod Workflows

- [Decapod System Process Flowchart](#): An overview of system processes in Decapod.
- [Decapod User Interaction Flowchart](#): Detailed view of a user's interaction with the Decapod system.
- [Decapod Workflow Background](#): A detailed description of user interaction and system behaviour. This workflow serves also as a work plan for the project.
- [Post-Capture Processing](#)
