

"Cooperative Analysis" of Platforms, Guides, and Tools

We are gathering lists of platforms, cooperatives, guides, and tools that are related to our project or inspire us, and that will inform our work on the platform cooperative project. For articles and other research please go to [Platform Coops - Research and Notes](#)

Platforms and Sites

- [CoLab Coop](#) - potential collaborators
- [Up & Go Coop Site](#)
- [Platform Design Toolkit](#)
- [Nomad](#)
- [Loconomics](#)
- [Sharetribe](#) - possible collaboration, closed-source

Extractive Platforms

- [WeCare](#) - features may be something we want to have (particularly business-admin related)
- [Carena Care](#) - proprietary platform willing to customize for our use
- [Care.com](#) - example of a platform that could be used by CoRise
- [Uber](#)
- [AirBnb](#)
- [Lyft](#)

Handbooks and Guides

- [Loomio Coop Handbook](#)
- [Food Coop Initiative - Guide to Starting a Food Coop](#)
- [Worker Co-operative Code](#)

Co-op Startup Resources

- [Unfound](#)
- [Start.coop](#)

Tools

- [Polis](#) - tool for organisational communication
