

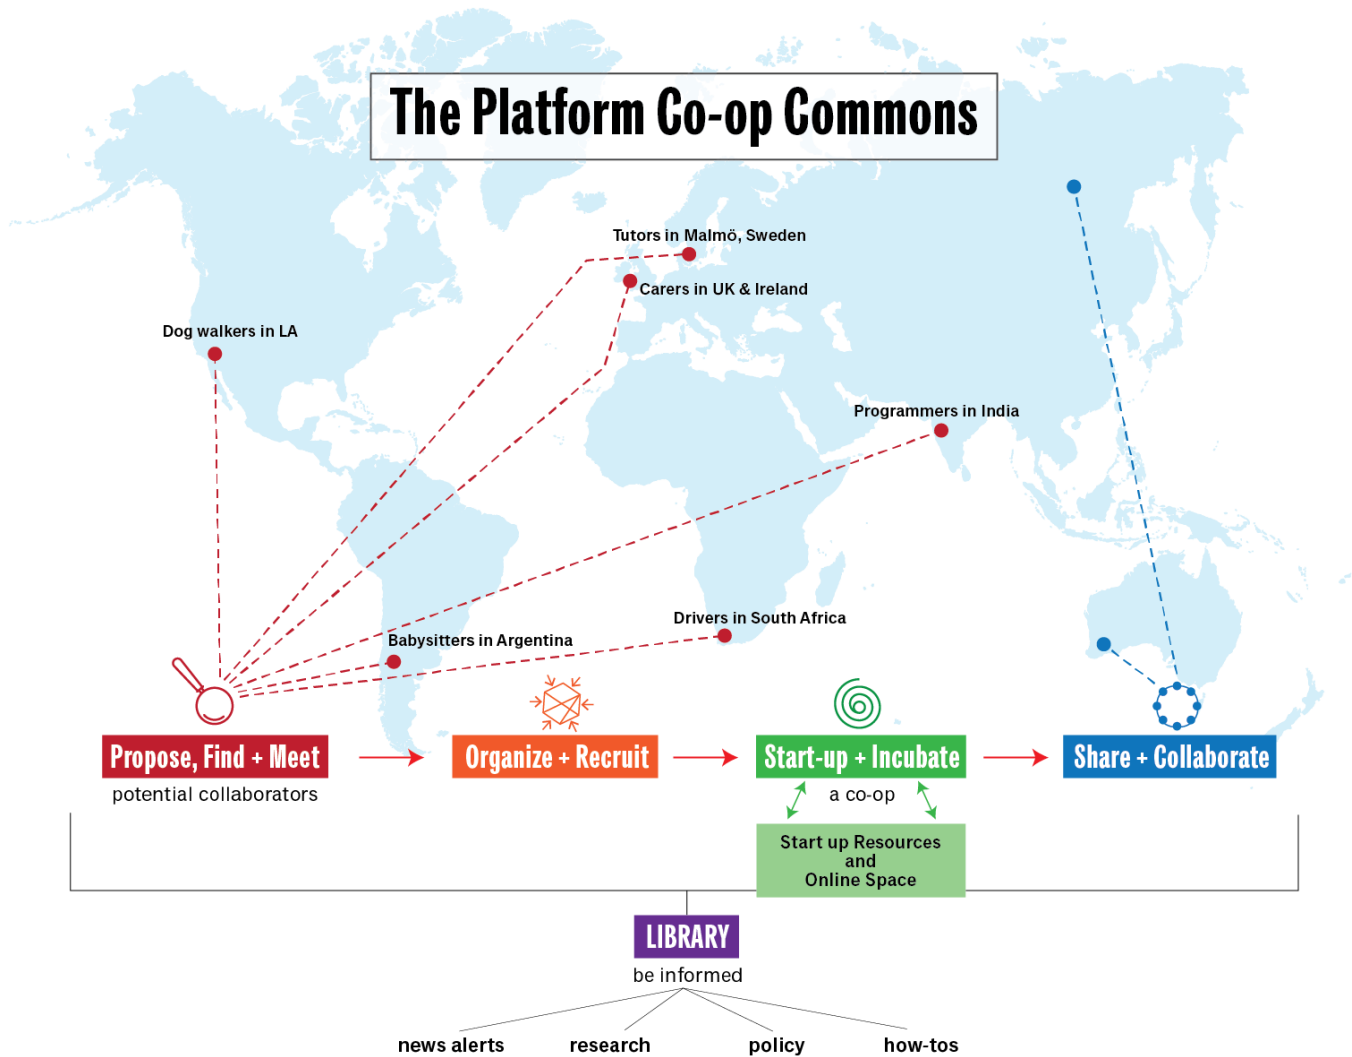

Mapping the Platform Co-op Commons

The following is content and descriptions of the PNG graphic above

Mapping the Platform Co-op Commons:

1. Propose, Find and Meet potential collaborators
for example: dog walkers in LA, Tutors in Malmö, Sweden, Carers in UK and Ireland, Programmers in India, Babysitters in Argentina, Drivers in South Africa
2. Organize and Recruit
3. Start-up and Incubate a co-op
using Start up Resources and Online Space
4. Share and Collaborate

To stay informed, a library of News Alerts, Research, Policy and How-tos is openly available at all four stages of the Platform Co-op Commons.
