Iteration 1

The screenshot displays the 'Image Gallery' application interface. At the top, there is a header with the title 'Image Gallery' and a search bar labeled 'Collection Name' with a 'Find' button. Below the header, there are navigation tabs for 'Collections', 'Tags', and 'Artist'. The main content area is divided into a left sidebar and a central grid of image thumbnails.

Collections:
 - Flagged (118)
 - Week 1 (21)

Central Grid:

The grid shows a 2x4 layout of image thumbnails. The top-left thumbnail is titled 'Filename.gif' and has a description field that is currently being edited. A yellow tooltip box is overlaid on this field, containing the text 'This is where the description will be displayed' and a 'Click in field to edit' prompt. Below the description field are 'Save' and 'Cancel' buttons. The other thumbnails are titled 'Filename.jpg' and have placeholder text 'Click here to enter description'. Each thumbnail also features a red minus sign, a magnifying glass, and a refresh icon.
