Updates

TIG

- **Completion**
- Increase a11y and inclusion of indigenous language - videos about their communities in their own language
- Young people learning the process of adding CC and creating descriptive videos
- Inclusive guide to action - moving forward with this - got the green light to work with someone who worked on it in the past
- Build out a guide for staff to increase inclusion - for remote staff - appendix to existing guide or separate guide - positive work culture
 - E.g. Doing a "wander walk" - being intentional about travelling home in a new way - formalise the activity
 - But It's cold outside - how can we work in multi-modal way - to encompass a spectrum of inclusion - e.g. someone with mobility issues
