Gary Thompson

User Experience Leader
Unicon, Inc.
480.558.2409
gthompson@unicon.net

[gggaryyy](#)
[grtlushuss](#)

Bio

Gary Thompson has 12 years of professional user interface design experience, working primarily with enterprise-class Web applications for higher education. Gary leads [user experience design](#) for [Unicon](#), with a focus on uPortal and Sakai. Gary also participates in the [Fluid Project](#), helping improve the user experience of community source software.

Graduate Of

Arizona State University, School of Architecture and Design, Department of Industrial Design

Where I Hang My Hat

Chandler, a suburb of Phoenix, Arizona.

Family

I am happily married to a wonderful woman and have four great children. I consider the roles of husband and father to be my most important and worthy pursuits.
