

Community Meeting Notes (Nov 29, 2017) - Creative Commons Canada

Description

Presenters: Kelsey Merkle

Come join us for a community meeting to discuss the new Creative Commons Global Community, how to join CC Canada and a licence refresh. An opportunity to hear case studies from IDRC and challenges and opportunities faced using CC Licences and your projects. Finally a discussion on reframing OER as an opportunity to support student mental health in Ontario.
