

Moodle UX Walkthrough Working Group

A group at York conducts Moodle UX walkthroughs paralleling those undertaken by the Sakai Working Group.

The Moodle UX walkthroughs follow the same [procedures](#) as employed by the Sakai group, using the same [faculty persona](#) and similar instructor, TA, and student scenarios.

Results from the Moodle UX Walkthroughs completed prior to the summit can be found on the [Moodle Pre-Summit UX Walkthrough Procedures and Findings](#) page, and results from those completed after the summit can be found on the [Moodle Post-Summit UX Walkthrough Procedures and Findings](#) page.
